

Chalk Silhouette Art Activity for Seniors

Memorylanetherapy.com

Materials Needed:

- Black paperboard or construction paper
- Assorted cut-out shapes
- Colored chalks
- Gentle cloth or tissue for blending
- Adhesive putty or tape
- Chalk holder

Three Simple Steps:

1. Choose Your Shape and Secure:

- Select a cut-out shape for your chalk silhouette. It could be a leaf, animal, object, or any design that resonates with you.
- Gently place the shape onto the paperboard, arranging it where you wish your masterpiece to bloom.
- Secure the chosen shape onto the black paperboard using a touch of adhesive putty or tape.

Step 2: Trace & Fill

- Now, pick your favorite chalk color and begin softly shading within the edge lines of the cut-out shape.
- After shading, use your fingers or a gentle cloth to smudge and spread the chalk within the traced lines. Feel the chalk transform into a velvety layer of color, adding depth and allure to your creation.

Step 3: Reveal & Admire

- Tenderly lift away the cut-out shape, unveiling the enchanting contrast between the rich black canvas and your vivid chalk creation.
- Take a moment to appreciate the elegance of your silhouette against the dramatic backdrop – your artistry has truly come to life!

Here are some of beautiful Chalk Silhouette art Sample
