Materials Needed:

- 2 sheets of red paper (or any other color)
- yellow paper
- black marker
- scissors
- glue

Step by Step Instructions:

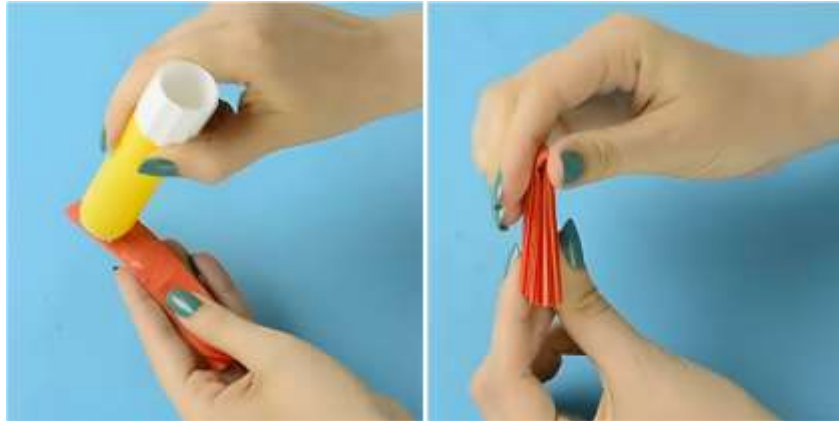

1.Prepare the Paper Strips:

- Fold the red sheet of paper in half, along the longer side.
- This way the center will be marked, now cut along the middle to get two long strips of paper.
- Start folding the sheet of paper (the strip) making accordion folds all the way till the end.
- Repeat the same accordion folding process with the second paper strip.

2.Assembling the Rosettes:

- Push the “accordion” together (close it). Fold it in half.
- Gently push the accordion folds of both paper strips together to close the fans.
- Fold each fan in half and apply glue along one side of the fold.
- This will hold the folded paper in place.

3.Joining the Fans:

- With both fans now prepared, position them in a way that they overlap slightly.
- Apply glue to the overlapped portions and hold them together for a brief period to allow the glue to set. This forms the base of the award ribbon rosette.

4. Adding the Central Design:

- Cut a circle out of the yellow paper.
- Ensure that the circle is slightly smaller than the rosette you've created.
- Using the black marker, write a heartfelt message such as "Best Dad Award" or "World's Greatest Dad" on the yellow circle.
- Apply glue to the back of the yellow circle and gently press it onto the center of the rosette. Allow the glue to set, securing the central design in place.

5. Crafting the Ribbons:

- Cut two ribbon shapes out of the red paper. These ribbons will dangle from the bottom of the rosette.
- Apply glue to the back of the rosette and attach the ribbon shapes securely.
