## Materials Needed:

1. Blank paper or hedgehog template (downloadable or self-drawn)
2. Assorted colorful autumn leaves
3. Glue or adhesive
4. Pencil and eraser
5. Markers or colored pencils (optional for added detail)

## Step-by-Step Guide:

### 1. Create the Base:

Draw or trace a hedgehog shape on paper. This serves as the canvas for your masterpiece. You can also print out a clean Hedgehog illustration.

## 2. Add Nature's Touch:

Select colorful autumn leaves and attach them to the hedgehog's body using glue. Let creativity flow as you build texture and depth.

## 3. Bring it to Life:

Complete your hedgehog with drawn facial features using markers or colored pencils. Add your personal touch and add on few more designs. Admire your nature-inspired creation and enjoy the soothing, satisfying process.

Here are some examples of some beautiful leaf hedgehog crafts.
