### Materials Needed:

- Smooth rocks
- Acrylic paints (green, brown, assorted colors)
- Paintbrushes
- Googly eyes
- Small flower pots
- Potting soil or decorative rocks
- Craft glue

### Step-by-Step Guide:

#### Step 1: Paint Your Cactus

1. Choose a rock and paint it entirely with green acrylic paint. Let it dry.
2. Use white paint to add patterns and spikes to your cactus rock. Allow it to dry completely.

## Step 2: Bring Your Cactus to Life

1. Apply glue to googly eyes and place them on the cactus where you like.
2. Let the glue dry to secure the eyes in place.
