

Easy Christmas Wreath Craft

Materials:

1. Cardboard Circle
2. Old Christmas Cards
3. Scissors
4. Glue
5. Christmas Carol Playlist (Optional)

Craft Instructions:

1. Prepare the Cardboard Base:

To streamline the crafting process, pre-cut the cardboard circles in advance. This thoughtful preparation minimizes stress and allows participants to immerse themselves in the creative aspects of the activity.

Craft Instructions:

2. Choose and Cut Out Christmas Card Images:

For individuals who may find cutting challenging, consider pre-cutting the images from the Christmas cards. This thoughtful gesture promotes inclusivity, ensuring that everyone can actively participate and find joy in the crafting process.

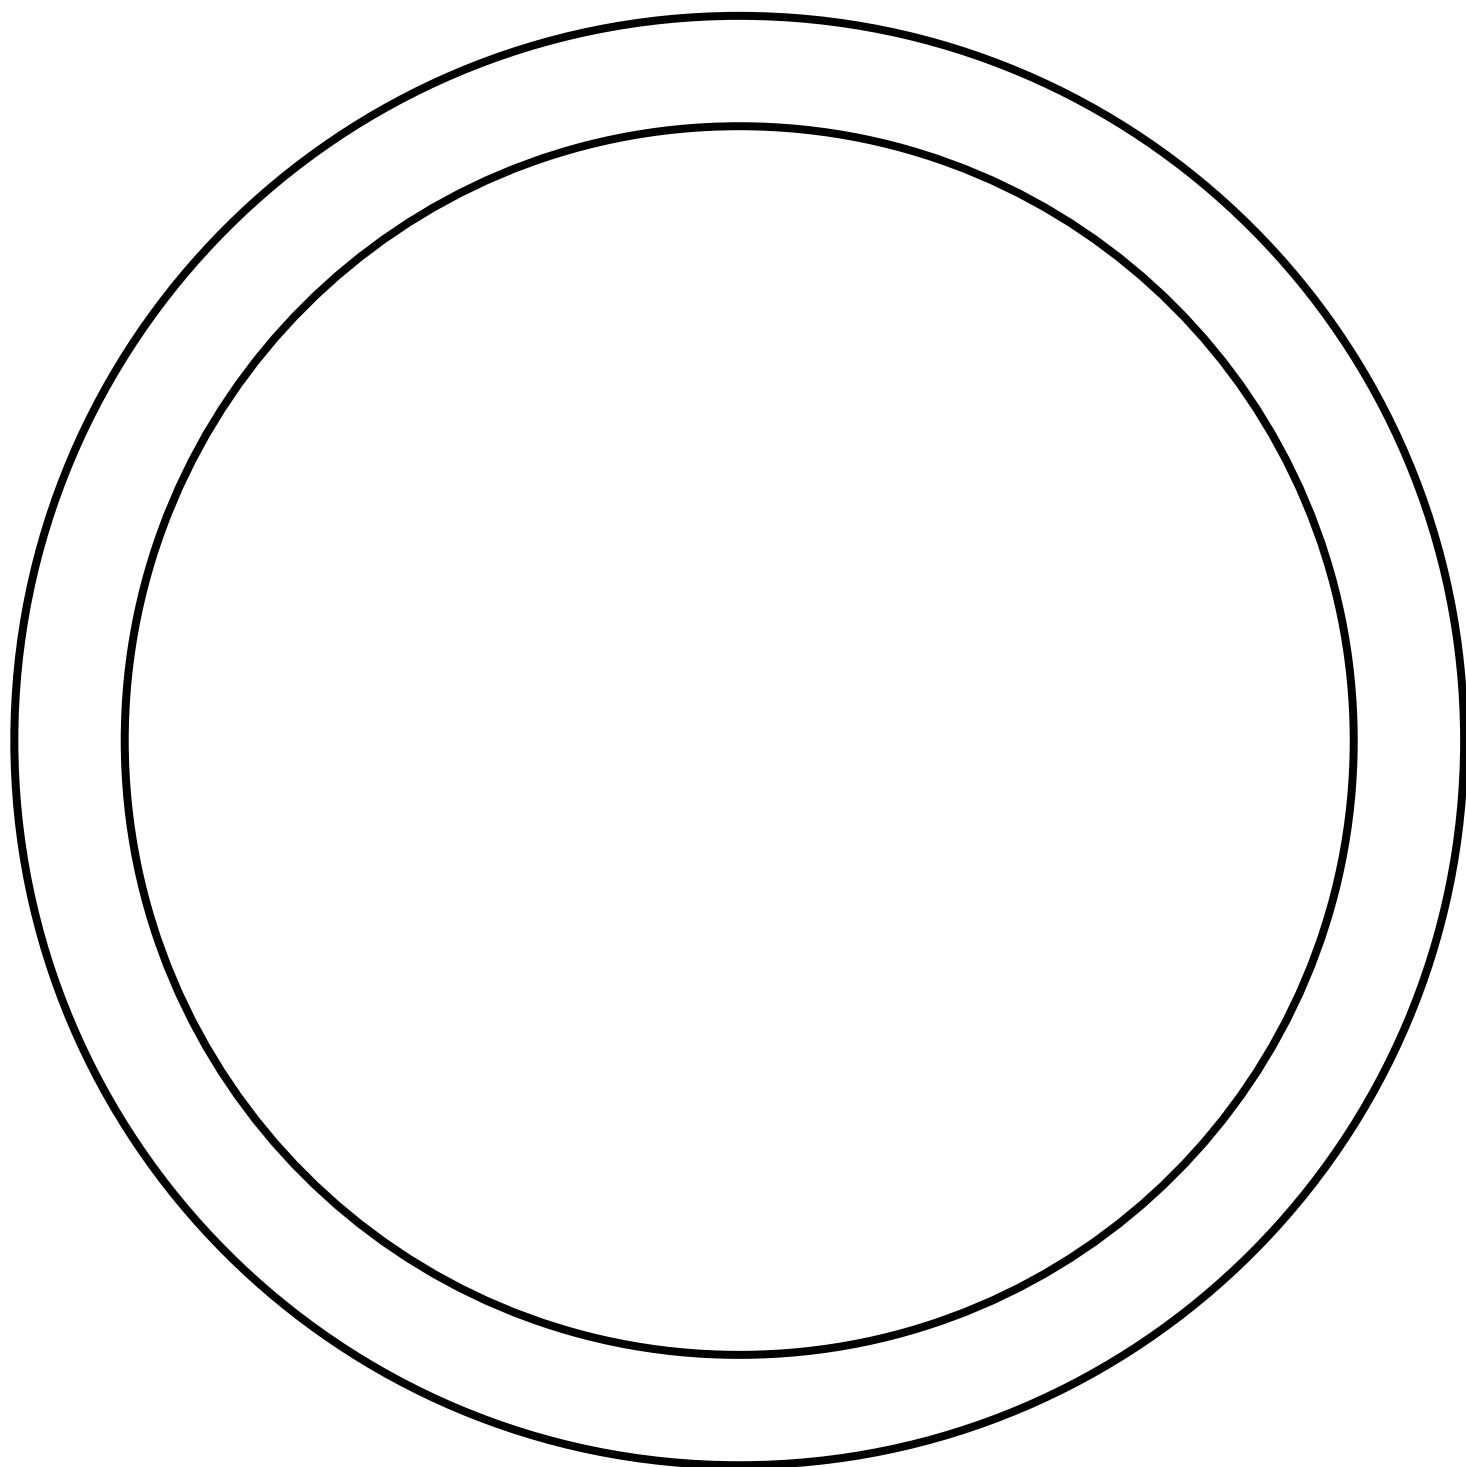

3. Let the Festive Crafting Begin!

Distribute the prepared cardboard circles and pre-cut Christmas card images. Encourage seniors to arrange and affix the images onto the cardboard base, fostering a simple yet relaxing activity that lets creativity shine

4. Sing Along to Christmas Carols:

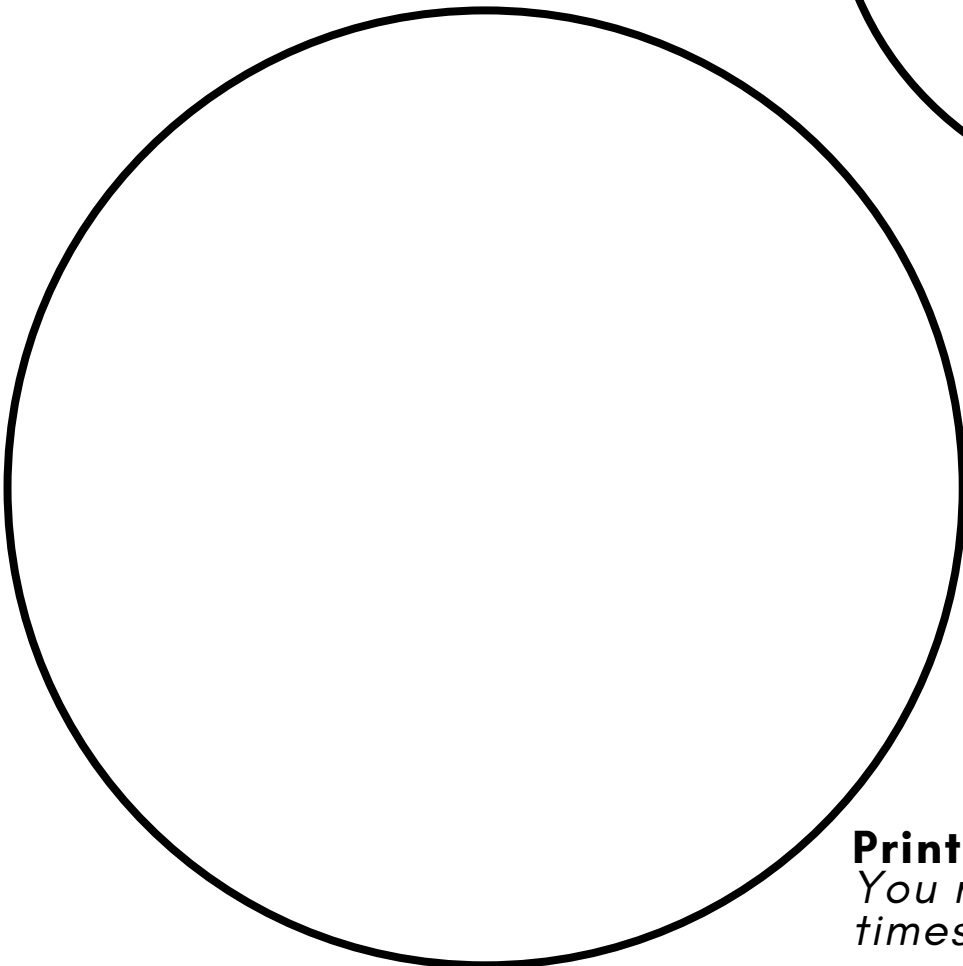

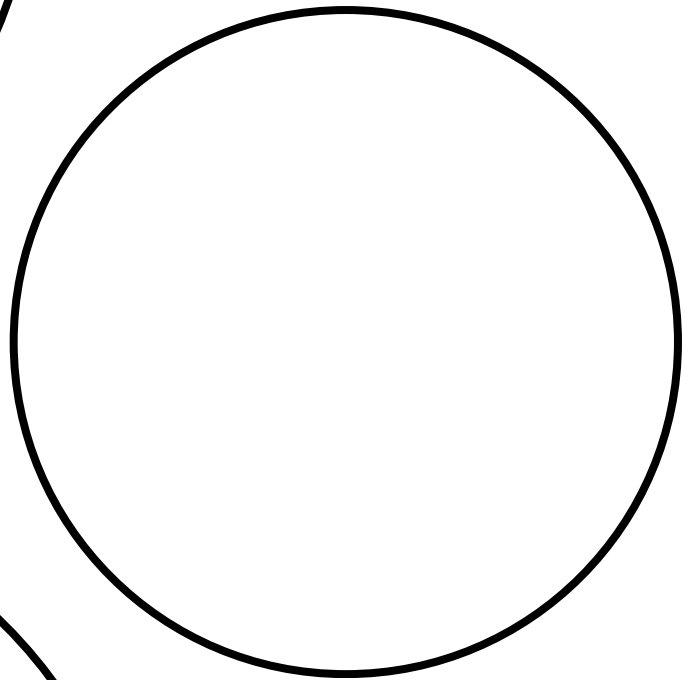

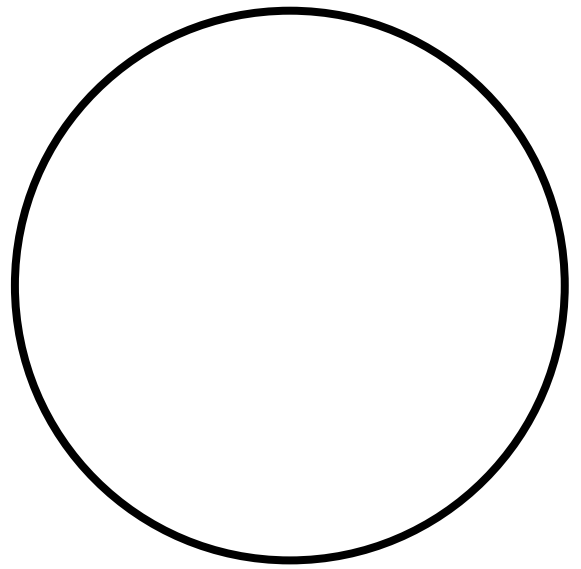

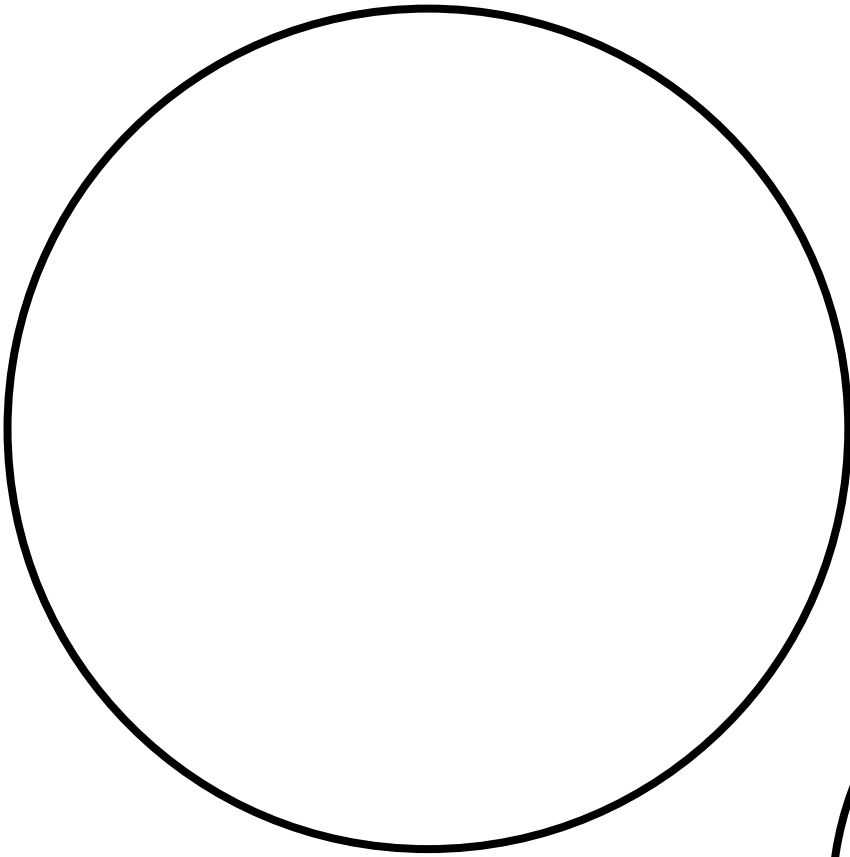

Create a cozy and inviting atmosphere by playing gentle Christmas tunes. Singing along together not only adds an extra layer of warmth to the crafting experience but also serves as a means to evoke cherished memories, making the activity even more meaningful.
